Dear Chris:

Re: United States Patent Application No. 10/086,177
Continuation-in-part of United States Patent Application No. 09/835,107
Title: CXCR4 AGONIST TREATMENT OF
HEMATOPOIETIC CELLS
Applicants: TUDAN, Christopher, R. et al.
UBC Ref.: 97-098

Enclosed please find a Declaration and Assignment for your signature in the above matter. The documents should be signed, dated, and returned to us as soon as possible for filing in the United States Patent and Trademark Office. Also enclosed is a copy of the application as filed.

These documents must be signed and dated in blue ink. The Declaration and Assignment documents should reflect your full, correctly spelled, legal name, current residential address, and country of citizenship. Any errors in these documents can be corrected by providing the correction in ink, and initialling and dating the correction. Any corrections made without initialling and dating the corrections will render the documents useless.

We look forward to receiving the executed documents from you in due course.

Yours very truly,
SMART & BIGGAR
